

Sullivan Primary

National School of Character

Dear Parents,

We have been implementing a school-wide intervention time from 8:10-8:40 AM daily for first grade and 9:20-9:50 for kindergarten. During the intervention time, enrichment and remediation of core academics: reading and math is our focus. This is a time to implement more differentiation of instruction and assess how students respond to the interventions we strategically put into place. It is proven that fifteen percent of students need small group or one-on-one evidence-based intervention for a period of time to make adequate progress. We are diligently working to ensure ALL students succeed. Please make sure your child is on time for school.

I would also like to take this opportunity to thank you for working closely with us to better your child's education. We had exceptional participation at Parent/Teacher conferences and awesome volunteers for our book fair. Your partnership is invaluable.

Please do not hesitate to call, email or come by the office if you have any questions or concerns.

Sincerely,
Cindy Carey

Character Education
"Always Take the High Road"

The character word for the quarter is "Cooperation". We will be giving examples and discussing cooperation. Please help us by talking about cooperation at home. We will be reciting the Character Pledge and Character Song each morning. Thanks for your reinforcement of our Character Education lessons! You are helping your child for a lifetime!

Song for Second Quarter
